Caring and Achieving

23rd September 2025

Good afternoon All Saints' families,

The term is well underway! We have awarded Pupil Responsibility badges this week, ready for pupils to commence their roles:

- House Captains
- Pupil Voice
- Reading Ambassadors
- Worship Council
- Playground Friends

We are continuing with our presentation and handwriting focus, and are seeing really promising results. In Reception, children will continue to use the Little Wandle letter rhymes, focussing on formation. KS1 will use our new scheme Nelson Handwriting to build on consistency of size and sitting letters on the line, whilst KS2 focus on joining and fluency. All children have weekly transcription lessons to help them focus on this.

Reading for Pleasure

Library

We've made reading for a pleasure a priority this term. This means that in the library, we will be ordering some new furniture, decorating the space and ordering new books (kindly donated from our 'Help Our School to Grow' campaign). If you're able to offer some time to help sort through the current books, please do get in touch to help – even if it's just for an hour!

Book Swap Shop

A reminder that our Book Swap Shop is still well underway. Children are welcome to take, and read, any of the books in the Swap Shop. If you have any books at home that are ready for donation, please send them our way so that we can keep the shop topped up.

Reading Volunteers

A reminder that we would love to invite any of you to share some stories in school with us, to promote a love of reading. You can join via TEAMS, or, pop in at the start/end of a day - 10 minutes is all we need. You can read something of your own choosing, or, we can copy you an extract from the class book to share. It would be lovely if you could join us (especially if it were kept as a 'surprise' too). Please let me know if you're able to join us.

Outdoor Space

In one corner of the orchard, I'd like to create a small allotment space to support our children with their learning about the wider world. If any of you are particularly green fingered and want to be involved in the project, please feel free to make contact via the usual channels.
