Caring and Achieving

20<sup>th</sup> April 2020

Dear Parents

I hope you all had a pleasant Easter, during these strange times, and managed to enjoy the sunshine whilst keeping safe and well. Staff and I have continued to be working over the Easter holidays (at other schools in the Trust) providing childcare for those parents in the Trust, including All Saints', who are working on the frontline and helping to keep us safe and provide essential services.

Please find attached activities and work for your child to complete over the next two weeks. In addition, please ensure that your child gets plenty of fresh air each day in the garden and on family walks, as well as completing daily exercises such as Joe Wicks workouts. Physical activities support the well-being and mental health of us all, whilst supporting us to become fitter and healthier.

Miss Broad, our Pastoral and Mental Health leader, has produced a poster to support well-being as well as a list of useful resources you could use to support your child's mental-health and well-being. Please take the time to read them and I hope you find them useful.

In addition, we have included our Year 1-Year 6 maths progression document overview. This is a document for parents only, to support you in understanding the progression for each concept in maths, stage by stage, and will be useful if your child is finding some maths tasks either too easy or too challenging.

I am looking forward to receiving your short videos and photographs of your children completing activities during the lock down – these don't just have to be of the work set, they could include additional fun learning such as gardening, cooking, garden games, crafts – anything you are happy to share with all families on the website! Please forward these to: [lprosser@stbartsmat.co.uk](mailto:lprosser@stbartsmat.co.uk). I look forward to seeing them all!

During this week you will receive a short report (to replace the cancelled parent consultation evening at the close of the spring term). This will include your child's attainment (at the point of the school closure) as well as targets for reading, writing and maths. Towards the end of the summer term you will receive your written annual report.

The staff and I miss all of you and your children and are looking forward to seeing you all again in the future. In the meantime please continue to stay safe, well and happy.

Yours sincerely

Katy Kent - Headteacher
