Monday 4th January 2020

Closure of school to most pupils

As you will be aware we have all been given extremely short notice regarding the closure of school to most pupils from today. We were given this information when we watched the news alongside the rest of the country this evening.

Tomorrow, any parents who are Key Workers, who urgently and unavoidably require child care, should send their child in at the usual times at the usual gates following all protocols.

Tomorrow, staff will send work for children to complete for the remainder of the week using our communication platforms (class dojo, purple mash, spelling shed). Live remote teaching through Microsoft Teams will fully commence from Monday. We will be sending parent user guides to support this.

Applying for a school Critical Worker place

As you have heard from the government announcement this evening, school now needs to close to all but critical worker children to reduce the spread of infection of Coronavirus. While you may have informed us in the summer term that you were a critical worker it is important that we collect the correct information at this point. I am requesting that all parents fill in the form below so that we have an accurate view of the number of critical worker children who will be with us in school. Please forward confirmation of your critical worker status, (an ID badge, pay slip, letter from employer), to the school office for our records.

Please note as of next week all Key Worker children will be accessing the same remote learning as all pupils at home, via a smart board in the classroom, supervised by a member of staff. Unfortunately, we will not be able to offer any additional teaching in school as teachers will be delivering remote learning.

Please stay very safe and well and follow all government guidelines.

Giles Godfrey
Head of School
