Wednesday 6<sup>th</sup> January 2020

Dear Parents,

### Collection of resources for pupils currently at home

Tomorrow morning, we are making exercise books and a small number of resources available for collection from school. This is in preparation for online lessons to begin on Monday. Children will write in these exercise books when completing work and they can use the resources to learn. All packs will be identical in each class – there will not be an individually labelled pack for your child. Please sign the sheet to state you have collected it. Please do not feel you have to make the collection if you feel you already are well resourced.

Collection will be **outside the main school reception**. Please arrive at the following times and adhere to social distancing:

Chestnut Class: 9.15 – 9.45

Beech Class: 10.00 – 10.30

Elm Class: 10.45 – 11.15

Oak Class: 11.30-12.00

**If you have children in different class slots please collect at the same time, there is no need for you to come backwards and forwards.**

Children who are currently in school will also receive a resource pack that they will put in bags to take home with them.

### Preparing for online learning:

Class teachers will be contacting parents tomorrow through Class Dojo with timetables for lessons and user guides to access Microsoft Teams. Each child has log-in details in the front cover of their Reading Diary to access a class group where they will find links to click on for lessons. (Teachers have a copy of the log-ins if you require it). For live lessons, teachers will be actively teaching children on the screen. For pre-recorded lessons, teachers will also send a link to click on – with the added benefit of you being able to pause the video at any time.

**Microsoft teams lessons can be accessed through multiple devices you may have – laptops, tablets or phones.**

**Caring and achieving with Jesus at our side**

Caring and Achieving

### What will we be teaching online?

Teachers will be delivering an English and a Maths lesson every morning. In the afternoon, children will have a 'topic' lesson and then finish the day with a live story. There will be breaks between all lessons as we would have during the school day. Class Dojo will be important to use for teachers to provide feedback on children's work.

### Critical Worker children

Critical worker children currently in school will be able to access lessons from the classroom as they are being taught.

### Please don't worry!

We appreciate that families may have more than one child at home. We have staggered the timetable between classes where lessons can be accessed at different times; as an example, Elm and Oak class have their English lesson 30mins apart. This would enable two pupils in that household to 'swap' over a laptop where needed to click on the other link. We cannot guarantee that this will work between all classes, but we will try our best!

We appreciate that this is a new experience for both teachers and parents – the idea is that the teachers will be there to do the learning alongside you! What I can guarantee is that we have some very excited teachers who can't wait to see you online!

Kind regards,

Head of School
