Caring and Achieving

23rd May 2023

Dear Parents/Carers

As we come to the end of another half term, I would like to congratulate all of the children on their continued hard work – I am proud of them all. Yesterday, Beech class performed a fabulous worship about wisdom to their parents and the whole school; it was wonderful to see such confident performances from the children. I would also like to say a big 'well done' to the netball team and the year 5 girls cross country team who both competed this week and represented the school beautifully by showing excellent teamwork and fantastic encouragement towards one another.

Thank you to the PTFA and all of our families for your continued support to the school. The money raised through the class cake sales has enabled each teacher to buy extra resources for their classrooms – details of which will follow from your child's class teacher. We have also been very fortunate that funds raised by the PTFA, have been matched and donated by the Thomas Rudge Trust meaning that we have been able to buy 16 new iPads, a charging trolley and new headphones. This is an amazing resource that all the children in school will benefit from.

We now look forward to our last half term of this academic year and the wonderful summer activities and celebrations that will be taking place.

Taking care through the Summertime

Now that the weather seems to be improving, please can you ensure that your child has a named water bottle and sun hat in school every day. Your child should also come to school wearing suncream so that their skin is protected at all times. Children are allowed to bring suncream with them, but need to be able to apply it themselves.

ParentPay

Please can you ensure that your child's ParentPay account is in credit by the end of the week. All arrears must be cleared by Monday 29th May.

Board Games

If you have any board games or puzzles that are in good condition and your children no longer play with, we would be very happy to take them for the children in breakfast and afterschool club to play with. Please send any suitable items into the school office after the half-term holiday.

Wrap Around Contact Details

Breakfast and afterschool clubs have a new emergency contact number - 07763 835884. This phone is only accessible to staff during the times of both clubs. Therefore, please continue to book your children into wrap around via the school office but should you need to contact Julie or Lisa in an emergency, you can now call this number.

Big Help Out

We are asking for volunteers to come and help tidy up some of the areas around the school including the area on the carpark by the school gate and some of the school grounds so that we can improve the environment for our children. If you can spare an hour or two on Saturday 10th June, we would welcome your help and support. Please bring along any tools that you think would be useful e.g. strimmer, spade, fork etc. This is an adult only event due to health and safety reasons, so please do not bring any children along to 'help'. We will meet at the bottom gate at 10am and will finish at 3pm. If you think that you are able to help could you contact the school office to let us know - any help would be very gratefully received.
